Contact Information: Amber Jones, amber@cherryhillstrong.org

Introduction

[Cherry Hill Strong](#) is seeking proposals from qualified consultants to develop a comprehensive land acquisition strategy. The goal is to identify and secure suitable parcels of land that align with the [Cherry Hill Transformation Plan \(2020\)](#) which includes planned uses for housing, retail, education, wellness, sustainability, and community spaces.

Project Overview

As an organization that works alongside the residents of Cherry Hill to align partners and resources as well as set and implement strategy based on the community's vision, Cherry Hill Strong and its partner, [Cherry Hill Development Corporation](#), aim to enhance our capacity to efficiently and effectively acquire land and buildings that can be stabilized, repurposed, and redeveloped to strengthen outcomes in cradle-to-career education, community wellness, affordable housing, economic vitality and overall quality of life. This strategy will support our long-term vision for a vibrant and sustainable Cherry Hill community in which both current residents and new community members can thrive with a focus on equitable opportunity, anti-racist development, and self-determination.

Scope of Work

The selected consultant will be responsible for the following tasks:

1. Assessment of Land Acquisition Needs:

- Conduct an analysis of current and future land acquisition needs based on relevant factors (e.g., growth projections, community needs assessments, housing typology, pricing trends, current & planned uses, age of buildings, community vision, etc).

2. Market Analysis:

- Perform a detailed market analysis to identify potential land parcels, considering zoning, availability, and pricing.
- Evaluate the strengths and weaknesses of potential acquisition targets.

3. Strategy Development:

- Develop a clear and actionable land acquisition strategy, including timelines, budgets, and key performance indicators.
- Recommend approaches for negotiating and securing land, including potential partnerships, diverse private & public funding sources, and staffing capacity needs.
- Incorporate factors such as climate change, sustainability, community wealth building, shared ownership, and economic opportunity into final recommendations.

4. Stakeholder Engagement:

- Facilitate engagement with key stakeholders, including local government, community organizations, and potential landowners.
- Gather input to ensure the strategy aligns with the community's vision, values, and needs.

5. Risk Assessment:

- Identify potential risks associated with land acquisition and propose mitigation strategies.

6. Data Collection & Sharing:

- Work with Cherry Hill Strong's staff, volunteers, and partners to collect relevant data from public and private sources.
- Provide all geospatial and other data gathered and used for strategy development in vector, raster, and/or spreadsheet formats that allow for easy graphing and mapping.
- Cite and provide access links/instructions for all third-party data sources.

7. Final Report:

- Deliver a comprehensive report summarizing findings, strategies, and recommendations for implementation.

Proposal Requirements

Interested consultants should submit the following:

1. Company Profile:

- Overview of the consulting firm, including relevant experience and expertise in land acquisition and development.
